CALLING ATTENTION TO MATTERS OF URGENT PUBLIC IMPORTANCE.

Re : The death of Shri Shivanna due to bullet injury fired by Sri Gnanaprakash in the communal clash on 29-6-1981 at Rathnapuri Colony, Hunsur Taluk, Mysore District.

SRI S.S. ARAKERI.—Sir, I call the attention of the Chief Minister to the death of Shri Shivanna due to bullet injury fired by Sri Gnanaprakash in the communal clash on 29-6-1981 at Rathnapuri Colony, Hunsur Taluk, Mysore District.

ಶ್ರೀ ಹೆಚ್. ಎಲ್. ತಿಮ್ಮೇಗೌಡ.—ಸ್ವಾಮಿ, ಇವತ್ತು ಸವರ್ಣೀಯರಲ್ಲಿ ಮತ್ತು ಹರಿಜನರಲ್ಲಿ ಮಧ್ಯೆರಬಾಂಧವ್ಯ ಏರ್ಪಾಡಾಗಿದೆ. ನನ್ನ ಸಲಹೆ ಈ ವಿಷಯವನ್ನು ಮತ್ತೆ ಇಲ್ಲಿ ಚರ್ಚೆ ಮಾಡುವುದು ಬೇಡ.

MR. SPEAKER.—Let us see the statement, Have you gone through it ?

SRI S. S. ARAKERI.—Let us hear the statement first by the Hon. Minister. Then, let us ask the questions.

SRI C. M. ARUMUGHAM.—Hon. Member Sri S. S. Arakeri wants to raise this issue. It is a very sensitive issue which, as far as possible we must avoid not raising this and allowing for a discussion. I would suggest that some of us could meet the Chief Minister and discuss with him and take appropriate action, because by raising this issue we should not give room for increase of tension or clashes. We want to bring about reapproachment and peace among the people. It is between individuals. It is a group of people i. e., two sections. Even to-day normalcy is not prevailing. Police are there. If the police are withdrown again there will be clash. Therefore, I would only appeal to the Hon, Member that we will drop it and we will take up other matter. Sri Arakeri is interested, I am interested and Sri Thimme Gowda is interested. We will go and meet him. What has been done in the land dispute is that it has also been settled in the High Court. Now, the question would be how the Swamiji or others were placed in possession of the land, how peace could be brought about between these two sections. Therefore, I appeal to the Member and others to withdraw the notice and Minister also drop it.

MR. SPEAKER.—I had requested the Hon. Member, I think the Hon. Member can think about it.

SRI S. S. ARAKERI.—If this is the feeling of the entire House, I have no objection. I would withdraw it.

MR. SPEAKER.—Do not put it that way. It is not the question of the House. They have expressed. It is left to you. In fact, in view of the situation prevailing, I also had a talk with you. I asked you to meet me in my chamber. Hon. Member Lakshmanaiah also met me. But since the Members insisted that I should put it. I have put it. But, inspite of it there is a suggestion. It is not the question of the House. If some suggestions are made, specially by the Hon. Members who come from that area, who know the things and specially Hon. Member Sri Arumugham...

ಶ್ರೀ ಎಸ್.ಎಸ್. ಅರಕೇರಿ.—ಮಾನ್ಯ ಅಧ್ಯಕ್ಷರೇ, ಇವತ್ತು ಹರಿಜನರ ಜೀವನ ಬಹಳ ಗಂಡಾಂತರ ಪರಿಸ್ಥಿತಿಯಲ್ಲಿದೆ. ಹರಿಜನರಿಗೆ ರಕ್ಷಣೆ ಕೊಟ್ಟರೆ ಆಯಿತು. ನಾನು ವಿತ್‌ಡ್ರಾ ಮಾಡಿಕೊಳ್ಳುತ್ತೇನೆ.

MR. SPEAKER.—The purpose with which you are putting it is a different thing. What the Hon. Member Arumugham says is that some of you meet the Chief Ministr in his chamber and talk to the Chief Minister. That is what he said.

SRI S. S. ARAKERI.—Sir, I will withdraw it.

(*ii*) *re*: **Out break of cholera in Phoolshaw Mohalla, Kolar.**

SRI M. ABDUL LATHEEF.—Sir, I call the attention of the Hon'ble Minister for Health and Family Welfare to the anxiety caused to the inhabitants of Kolar town on account of out break of cholera in Phoolshaw Mohalla, Kolar.

† SRI A. K. ABDUL SAMAD (Minister for Health and Family Welfare).—Sir, I would like to read the following statment.

Kolar Town has a population of 45,000, From 30th of June 1981 on wards, ninteen cases of Vomiting and Diarrhoea were admitted for treatment. There are no deaths. These cases were mostly from Kataripalya (1) Kilaripet (1) Goripet (2) Kuruburpet (4) Dargha Mohalla (3) and Phool Sha Mohalla (4). (Out of four motion samples collected from four of Phoolsha Mohalla, three samples were found positive for Cholera on 16-7-1981. Till then, none of the cases had proved positive. Therefore, the District Health Staff and Municipal Health Staff under the Supervision of District Health Officer and Deputy Commissioner, Kolar launched intensive preventive and control measures in all the affected areas. They are (1) Chlorination of drinking water sources has been stepped up.

(2) All eating establishments in the affected areas have been closed.
